ABSTRACT

At the beginning of the manuscript, a 35 to 50 word abstract is required.

INTRODUCTION

This page has been typed as you should prepare and type your manuscript. Each page will be reproduced at the same size as the manuscript (A4 paper, 21 x 29.7 cm). To ensure proper reproduction, authors should follow the instructions below.

TEXT

The title of the paper should be the same as notified in the letter of acceptance.

Format

1. The manuscript must be in two-column format. Print only on one side of the sheet.
2. The top and bottom margins should be **2.54 cm**, **left and right margins should be 2 cm**. **Allow 0.75 cm for column spacing**.
3. For good readability, the font size in your manuscript should be **10 points and Arial** fonts are recommended.

Length and Page Numbering

4 pages will be allotted to each paper. Page numbering should ***not*** be set in the electronic file.

Headings

Major headings should be centered in the column. Subheadings should be flush left. The third-order subheadings should be indented.

Photos

Photos will normally be printed in black and white in the Proceedings unless absolutely necessary. The color photos will be selected by the Program Committee and may appear in color pages of the Proceedings.

Figures

All figures must be captioned with figure number, figure title and description. The captions typed within the column should be placed beneath the figure. **Avoid gray backgrounds**; gray-scaling may cause moiré patterns after photographic reproduction and impair the appearance.

References

References should include the author's name(s), the page numbers and the year published.

SUBMISSION

Upload Manuscript

The manuscript, including all the photos and figures, should be submitted in electronic form via the online conference system.

The camera-ready manuscript will be requested only if the electronic files cannot be viewed or processed properly, due to special characters or picture formats etc.

Deadline

Your manuscript must be uploaded via the online conference system no later than **July 15, 2017**.

If you failed to submit the manuscript within the deadline, only the paper title, author name(s) and abstract may appear in the conference publications.
